

## A smarter way to conduct Conference calls at just 5p a minute

With Crown Teleconference, you get all the benefits of Conference Calling with none of the inconveniences. You will never be tied into a complicated contract. There are no upfront fees and no invoices other than the cost of an 0843 call (typically, 5p/min from a UK landline). You do not need any additional equipment. Crown Teleconference gives you everything you need and nothing you don't.

### Simple To Use

1. Decide on your PIN\* - any number between six and nine digits long.
2. Contact the participants you wish to join the voice conference, tell them the PIN and ask that they dial 08434 878 099 at the time agreed for the call to start.
3. When the call is due to start, all participants should dial 08434 878 099 and then enter the PIN on their telephone keypad followed by the # key.

\*Please note: for security reasons you should not use consecutive or recurring numbers for your PIN.
